What's Happening in Hollywood

HOLLYWOOD-GRANT PARK SEWER and STORMWATER PROJECT

Many of you received a notice in the mail from Environmental Services and the City of Portland announcing some major projects in our neighborhood. The project will repair and or replace about 21,300 feet of public sewer pipes that are on average 100 years old and failing due to age.

At the same time we also noticed crews locating and marking underground utilities. Each color indicates what is buried below. The street/sidewalks. Here is a list of what each color means:

White = proposed excavation

Pink = temporary survey markings

Red = electric power lines, cables, conduit and lighting cables

Yellow = gas, oil, steam, petroleum or gaseous materials

Blue = potable water

Purple = reclaimed water, irrigation and slurry lines

Green = sewer and drain lines.

Did you know? All of us have seen the many Green Street Planters that have been installed throughout the Hollywood. For the first 2 years after they are built the contractor is responsible for maintain them. After 2 years is up, the responsibility is transferred to the city. If you notice one of these planters is in need of maintenance you are asked to call the city and report. Every planter has a plaque imbedded in the top of the curbing with a telephone number on it. Just call the number 503 823-1700, and give the location of the planter.

National Night Out Event a Hit!

On August 5th, 2014, the Hollywood Neighborhood Association partnered with Hollywood East, a Home Forward property, to host a National Night Out event at NE 44th & Broadway. Those attending enjoyed hamburgers, hotdogs, salads, chips, fruit and lemonade. Activities included music, a dunk tank, karaoke, a raffle and a wonderful opportunity to meet and get to know their neighbors. A big thank you also goes out to Rose City Vision,

Priority Footwear, Care Oregon, Advantage Hollywood Farmers Market, Meals on Wheels, Whole Foods, Multnomah County Library, Neighborhood Emergency Team, and St Michaels Church for setting up booths and giving out information. Representatives from the Fire and Police Departments and Crime Prevention Offices also stopped by to introduce themselves. We would also like to acknowledge the generosity of the Hollywood Theatre, Grocery Outlet, Dollar Tree, the N.E.T., Home Forward and St Vincent de Paul for all the raffle prizes and food. Organizers declared the evening a huge hit and already thinking of ways to improve the 2015 event.

Ross Hollywood Chapel Celebrates 40 years of honoring Veterans.

WWII Vet and Liberator named grand marshal

In 1974, a gallon of gas cost 55 cents. The Dow Jones Industrial Average ended the year at 616. The Oregon Ducks football team had two uniforms – one for home and one for away games. And military veterans of the Vietnam War continued to return home.

It was also the year that Vernon E. Ross, founder of the Ross Hollywood Chapel, decided to do something to honor all veterans. So, he started a parade. And 40 years later, it's going as strong as ever.

World War II veteran and Oregon native Brig. Gen. James B. Thayer, Lake Oswego will lead the 2014 parade on Nov. 11. Thayer, 92, enlisted in the U.S. Army following the Japanese attack on Pearl Harbor. During direct combat he earned both the Bronze and Silver Star awards. In 1945, his anti-tank mine platoon helped liberate the Gunsirden Lager concentration camp in Austria, rescuing more than 15,000 Hungarian-Jewish refugees.

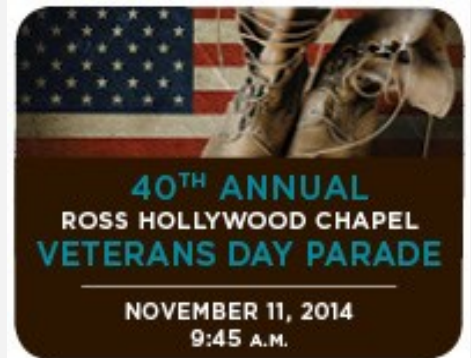

Other parade participants will include the USO Northwest PDX Center, The Beat Goes On and the Grant High School marching bands, women of Unit 70 Navy WAVE veterans, aged 66 to 92, and the Military Vehicle Collectors club, which will showcase a 1942 military tank. In addition, veterans' organizations, veterans' motorcycle groups and Boy and Girl Scout troops will march.

The Veterans Day National Committee has selected the Portland parade as an official regional site for Veterans Day observances.

The parade begins at 9:45 a.m., November 11 at Northeast 40 Avenue and Northeast Hancock Street and travels east on Northeast Sandy Boulevard to Northeast 48 Avenue, where a memorial flag raising ceremony will be held. Everyone is welcome to attend and can register to march in the parade at veteransdaypdx.org.

Following the parade veterans and their families also are invited to attend a complementary USO-style show and lunch at the Hollywood Theatre, 4122 NE Sandy Boulevard, Portland sponsored by Providence Health & Services and the Hollywood Neighborhood Association. Portland's entertainer Tony Star-light, Tony Starlight's Lounge, will perform music from the World War II years and later.

Brighten the holidays for a low-income senior by participating in one the two Giving Tree Programs in Hollywood. Starting in late November, stop by the 42nd St Station and the Hollywood Senior Center and pick up a gift tag from one of the trees. Gifts will be delivered in December. Thank you for your generosity.
